

POLYFORM US® F-SERIES FENDERS

TECHNICAL DATA SHEET

PolyForm US® F-Series fenders are made in the USA by PolyForm US® and designed for heavy-duty protection across yachts, commercial vessels and navy craft.

The twin-eye construction allows horizontal or vertical rigging, while ribbed bodies distribute loads evenly to prevent hull damage. Built from UV-stabilised marine vinyl, these fenders are easy to inflate and maintain. Ocean Force is a leading Australian supplier of PolyForm US® F-Series Fenders and stock all sizes at our Cairns facility, ready for immediate supply.

Applications

- **Manufactured in the USA:** By PolyForm US®
- **Twin-Eye Design:** For versatile rigging and secure positioning
- **Ribbed Body Structure:** For impact load distribution
- **Serviceable Inflation Valve:** For easy maintenance
- **Available In A Wide Size Range:** To suit small boats to large ships
- **UV & Abrasion-Resistant Vinyl:** For extended durability
- **We Can Splice Ropes To Fender:** As customer request

Specifications

Product Code	Model	Size (cm) (diameter x length)	Eye Diameter (cm)	Circumference (cm)	Volume (ltr)	Boat Size (m)
FENDF1	F-1	15.2 x 61	1.8	48	7.2	6.1 - 7.6
FENDF02	F-02	91.1 x 66	1.8	59.9	11.7	6.1 - 9.1
FENDF2	F-2	20.8 x 63.5	2.3	65.5	16.3	6.1 - 9.1
FENDF3	F-3	20.8 x 76.2	2.3	65.5	20.4	6.1 - 9.1
FENDF4	F-4	21.6 x 102.9	2.3	67.8	29.1	9.1 - 10.7
FENDF5	F-5	27.9 x 76.2	2.5	87.9	27.6	9.1 - 12.2
FENDF6	F-6	27.9 x 106.7	2.5	87.9	57.2	10.7 - 15.2
FENDF7	F-7	38.1 x 104.1	2.5	119.6	71.2	15.2 - 18.3
FENDF8	F-8	38.1 x 147.3	2.5	119.6	149.9	15.2 - 21.3
FENDF10	F-10	45.7 x 127	2.5	143.8	127.9	18.3 - 21.3
FENDF11	F-11	53.8 x 146	2.8	169.2	241.1	18.3 and up
FENDF13	F-13	73.7 x 194.3	3	231.4	600.4	21.3 and up
